A Message from the Board

We are in September now so let's see what has been accomplished. You've likely noticed the camera installed at the dumpsters as part of our effort to keep them available for Harrisburg residents only. We appreciate the owners who place only household garbage in the dumpsters, and want to remind everyone that furniture, construction materials, metal, tires, oil, paint, and mattresses must be taken to Washington County dump on Telegraph. Since installing the cameras, we've seen a decrease in waste and items that don't belong in our dumpsters. We'd also like to announce and thank Steve Hart for his eight years of service as ACC Committee Chairperson. Steve plans to step down at the end of September to spend more time with his family. As a result, we are in need of volunteers to assist with the ACC = please contact the office if you're interested. Finally, our September Quarterly Board Meeting will be held on September 19th at 10:00 AM at the Clubhouse. We hope to see you there.

Thank you, President Vickie Brooks and The Harrisburg Estates Board

Did you know?

Harrisburg, Utah was the first settlement in the area. Founded in 1861 by Moses Harris and other pioneers who settled along Quail Creek. Harrisburg was a small farming community with a population of about 200- complete with orchards, vineyards, and stone houses.. Many years later it was reestablished as an RV Park!

Meet Other Community Members
